Chairman's Tips

Guideline 1 – Read the rules and class description carefully.

Always read the show rules and class title carefully. You must enter only home-grown produce. Check the number specified in the Schedule for the class you wish to enter – if it says 'Runner Beans (6) Stick' you will be disqualified ('NAS' – not as schedule) if you have too few or too many. It is worth bringing along a few extra as spares just in case you find you need them when you are placing your exhibit.

Guideline 2 – Start small.

Show a small set of flowers/fruit/vegetables really well to ensure you have a stress-free Show. If you are new to showing don't be tempted to enter too many classes. Preparing entries for showing takes a bit of time.

Guideline 3 – Review your entries.

About 10 days before the Show review your flowers/fruit/vegetables and plan your entries – then fill in the form and come along on Thursday evening or email/post it to the entries' secretary.

Guideline 4 – Fruit & Veg – Name your variety when asked.

For a named variety class – write the name of the variety on your entry card which is placed by your exhibit.

Guideline 5 – How to display your fruit.

All fruit should be fresh and clean, not polished, shown with stalks attached where specified. Apples should be displayed with the stems down.
Look for perfect specimens. Fruit and vegetables should be as near perfect as possible, even if it is not the largest specimen you have. This means no damage, no signs of disease and nice even growth.

Guideline 6 – Getting your displays in the tent and learning.

Arrive in plenty of time to get your exhibits displayed. Remember the tent really does close at 10.30 for judging.

Checklist of items to bring:

- Entry cards and Labels to stick on Preserves and Beverages.
- Your Schedule so you can check the rules again when displaying.
- Cling film to cover cookery items.
- Pen to name varieties and a pair of scissors can be handy.
- If exhibiting flowers also bring water or a container so you can use it to fill your containers. Water is available at the village hall.

Chat to other exhibitors – they are normally around in the marquee or relaxing with a cup of coffee after all their entries are in the tent – they are happy to help.
